bhaginÄ« 9349 bhaginÄ« f. `sister' Mn., ËšnikÄ• -- f. KathÄ• s. [J. The transference of aspiration from the initial to the interior presents difficulty, unless as a conscious avoidance of similarity with bhaga -- 2 `vulva'. The argument in AO xxi 30 that no *baghinÄ« -- is attested and that therefore the transference could have occurred only at the stage bhaÃ¯á¹‡Ä«<-> is not conclusive that a form *baghinÄ« -- never in fact existed between the age of AÅ›oka and the first emergence of Pk. bahiá¹‡Ä« -- .
